## Quinta do Lago

A **contemporary villa** located in the heart of Parque Atlantico, Quinta Do Lago. This villa is characterized by its clean lines and the exquisite proportions of its beautiful modern architecture. It offers a high quality, contemporary way of life whilst maintaining family homeliness. The symmetrical balance of the exterior is set against a fresh, spacious and well-lit interior.

From the entrance hall, you are presented with a modern design and symmetric layout giving you a full view of the **outdoor pool and garden** through tall glass windows.

Two double en-suites present themselves here, each equipped with their own TV. The open plan “Boffi” kitchen is combined with a **large seating area** and access to outdoor dining with a BBQ and fireplace. Another outdoor seating area can also be accessed from the ground floor, this one off the main living room, fashioned with quirky and impressive décor. The large hallway linking the living room and kitchen also acts as a dining area that can comfortably seat 8.

The upper floor consists of only three rooms, two en-suite doubles and a neat study. The master bedroom boasts two bathrooms, one fitted with a bath and the other a shower. These two upper rooms have access to private balconies, their own sofas, double fitted wardrobes and Loewe TVs.

Walking down to the basement you are quickly transported into a **luxurious cinema**, fitted with large reclining leather chairs. Dark purple curtains run along the walls to create that ultimate cinematic experience, an experience that is elevated by the close proximity of a wine cabinet and minibar. Following the cinema is a twin bedroom with an extra sofa, a bathroom and a games room equipped with a pool table, a sofa and a cycling machine. A garage and laundry room can also be found here.

The exterior of this villa is definitely one of its most prominent features, recently upgraded with the addition of a **Jacuzzi**. A variety of well-furnished seating areas are set aside from large lazy-boy hammocks and a lovely landscaped garden.
